Dear Mr. Bencito,

I am writing to express my interest in pursuing an opportunity within the Department of Information and Communications Technology. I am **Mhar Nhel Valentin**, with two years of experience in software development—one year as a **University Research Associate (Full Stack Developer)** and additional experience through **freelance projects**.

My background has equipped me with skills in both frontend and backend development, as well as a strong understanding of systems integration and collaborative project work. I am eager to contribute my knowledge and technical expertise to support the DICT's initiatives in advancing information and communications technology.

Respectfully yours,
